## Getting To Know Each Other

Create your own profiles with a picture and a short description of who you are (likes and dislikes, family, hobbies, favourite things, appearance, etc). Please include in your description qualities that other people see in you. You can also add a sketch or an image of something that you feel that represents you.

**Hi everybody!**

I am happy to meet you and I hope we have a good collaboration in this project. My name is Luminita and I live with my family in a small town in Romania. I am tall with grey hair and brown eyes. My hobbies are reading books, travelling a lot to discover new places and meeting friendly people and sometimes listening to music. I also like walking or watching TV and of course, teaching English or Chemistry.

I am sure I have good and bad qualities, so I think I am friendly, patient and easy-going.
